RE: G & S Woodworking  
21 Cuddy Boulevard  
London, Ontario

TO WHOM IT MAY CONCERN

We are pleased to provide this letter of reference for G & S Woodworking.

Bronnenco Construction has worked on numerous projects with G & S Woodworking, most recently as the Millwork contractor for the Ray Lanctin Arena in London. We are currently starting a new project, Sir Isaac Brock Public School, with G&S Woodworking as the millwork contractor. We have found them to be fair and competitive in their pricing and professional to work with.

I do not hesitate to recommend G & S Woodworking and would be pleased to work with them on future projects.

Yours truly

George Johnston
